

CONNECTING TICKETS AND MAGIC BANDS

Hello Band Trippers!

Disney park tickets are scheduled to arrive today, and Magic Bands should be here before too long. We will start the process of linking tickets to My Disney Experience accounts tomorrow, so that travelers can begin making fast pass selections.

Because we want to avoid any unnecessary delays at Disney, we will be connecting tickets and Magic Bands in person. Students will connect their tickets during band class. Chaperones can make arrangements to see me when it's convenient. The earlier we connect the tickets, the earlier you get to reserve fast passes.

Once magic bands arrive, we will go through the same process again - linking them to accounts in person. Chaperones can make arrangements again, or simply wait until the magic bands arrive and connect them with the tickets at the same time.

Chaperones, email me to make arrangements at:

ghamilton@crandall-isd.net

Please keep up with your My Disney Experience account information. Also, you can take advantage of faster account access through the app by enabling Touch ID.
