Parents We Need Your Help!

During football season the band parents help us with feeding the visiting band, as well as our band and drill team. We can use your help. Contact Mr. Nutt for information,

The Band Boosters are involved in various programs to support out band. Information on the Bean Barn, concession stands, and our annual golf tournament are available on the band website.

Another tradition in our program is the goodie bags provided to each student for third quarter. They are put together with donated food and bags from our parents. The contact person for this is Donna Nix (gibsonkaylasmom@aol.com)
