NYC20 Participants and Families,

As many of you know, Broadway will remain closed throughout 2020. Broadway shows are the centerpiece of our trip, meaning that our December date will need to change.

Fortunately, our tour company has already been securing new reservations for the backup date we announced earlier this year. Our trip is now scheduled for March 11 - 14, 2021.

We hope that all original participants of the trip will be able to attend on the new date. Throughout the COVID-19 pandemic, we've all looked forward to the excitement that this trip will bring. Thank you for your patience as we continue to adjust to the ever-changing situation.

We look forward to having an amazing trip with you!

Sincerely,

Greg Hamilton
