

THE MUSIC DEPARTMENT OF CRANDALL ISD

Greg Hamilton

Director of Bands, Crandall Middle School

12.02.2020

Dear Crandall Band Parents and Students,

Our annual Winter Arts Festival is the biggest arts event in Crandall each year. This year marks the 16th festival, where we present holiday-themed music, dance and art to our community. Since this event draws over one thousand attendees and hundreds of performers, it is in the best interest of safety to hold a virtual festival for 2020.

Band students will be recording video and audio in advance during regularly scheduled classes. The band director team will put the recordings together for a virtual/live-streamed event. More details on the livestream will come soon.

Beginner band students will be recording their musical selections in class on Friday, December 4. Second year band members will record on Friday, December 11.

Students should wear their new band shirts to school on their recording day. They can bring holiday themed hats and scarves (to wear in band class only). Students that have not received their new band shirt can bring their band fees between now and their recording day, and we will deliver shirts promptly. Students also have the option to wear their normal school uniform.

Please let us know if you have questions, or if you prefer that your student not participate in the recording.

Thank you,

Greg Hamilton
